ISSI–BJ FORUM PROPOSAL TEMPLATE

(Your proposal should not exceed 2 pages)

ISSI–BJ Forums are informal and free-ranging debates among some twenty to thirty high-level participants on open questions of a scientific nature, or on science policy matters. Forums do not necessarily lead to formal recommendations or decisions, but they are usually summarized in a report. Some have also led to strategy/white papers.

1. Title of your Forum:

2. Names and affiliations of the confirmed conveners (we encourage a gender balance):

3. Forum objectives, scientific relevance, timeliness, multi- and interdisciplinarity, ISSI–BJ added value:

4. Outcomes and deliverables (publications, plans for dissemination of Forum results and/or conclusions, follow-on activities to be triggered, ... ?):

5. Proposed Forum dates (indicative):
